Questions

Q: What is there for adults?

A: Adults can take part in any of the mission projects. Adults with construction experience will be especially useful working at the homes we are renovating. Adults who don't wish to do construction work can assist with sorting the clothing we collect for the Kid's Closet, help prepare meals/deliver meals to the worksites, take part in the Children's Missions Day Outings.

Q: Can I just do part of the week?

A: Yes, adults can take part in as many or as few days as they wish. Children and Youth can do the same IF they are with their parents. Youth who wish to take part in the overnight portion of the trip must take part in the whole experience.
